

Access map Vias institute

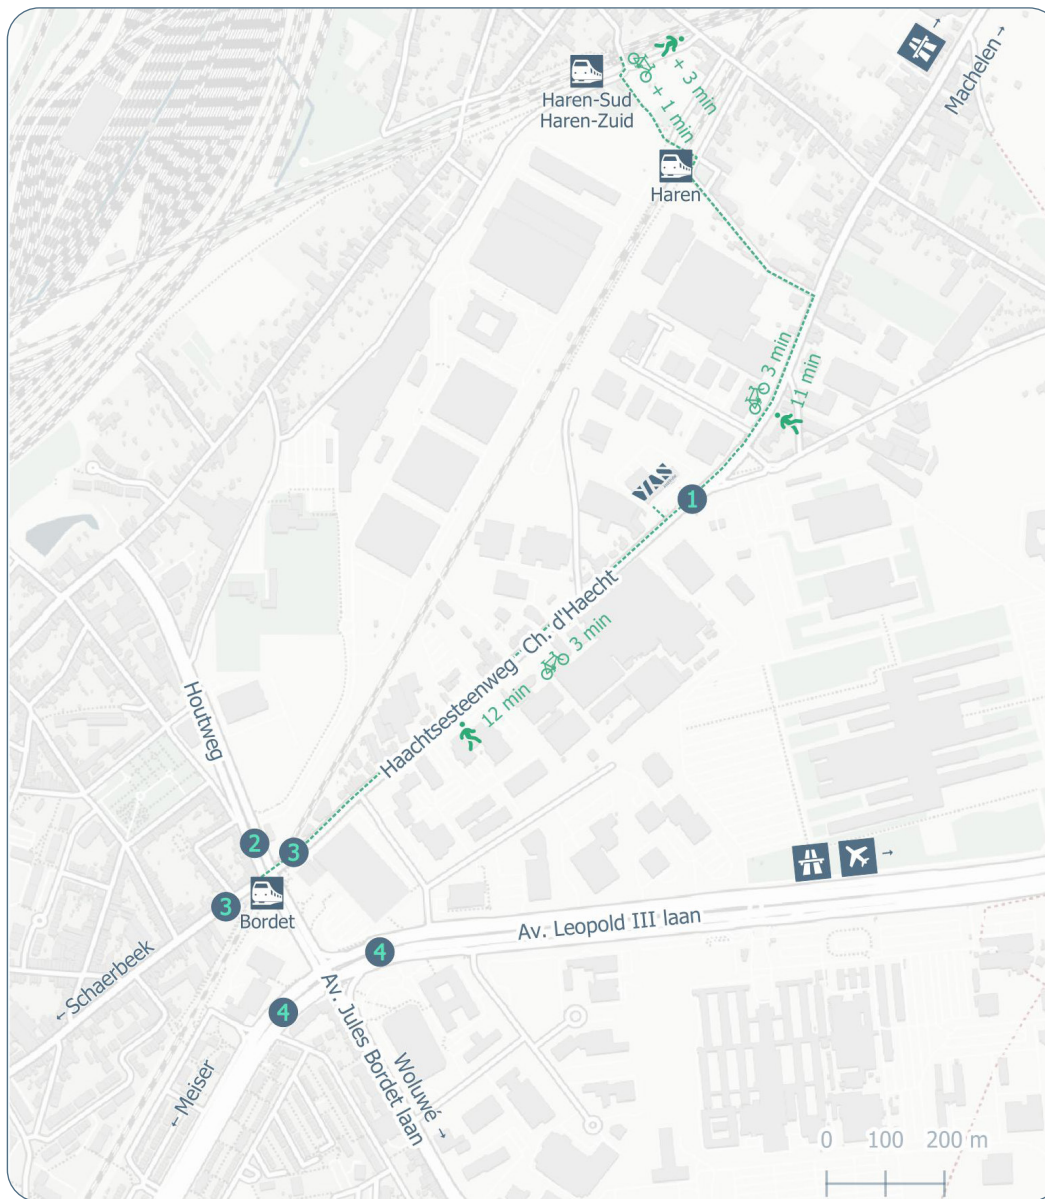

From 01/01/18 onwards some (old) cars are no longer allowed to enter Brussels due to the low emission zone.

You can find all information on: <https://lez.brussels>

Since 01/01/21, the default speed limit in the whole Region is 30 km/h unless another speed is allowed or imposed by a traffic sign.

Check the interactive map: <https://ville30.brussels/map/>
